CASE NO.
8879

O R D E R

On November 16, 1983, the Attorney General's Consumer Protection Division ("Attorney General") filed a Motion for Leave to File Supplemental Testimony.

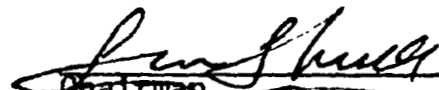

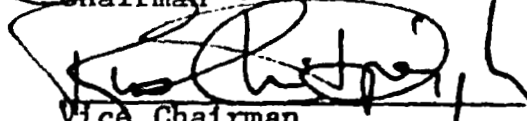

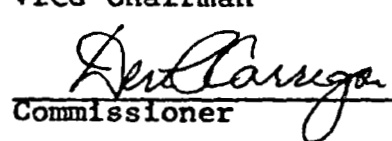

As grounds for the Motion, it is stated that on October 18, 1983, the Federal Communications Commission adopted a Memorandum Opinion and Order deferring the effective date of access charge tariffs until April 3, 1984, following which the Commission entered an Order on October 21, 1983, in Case No. 8838 (In the Matter of an Investigation of Toll and Access Charge Pricing and Toll Settlement Agreements for Telephone Utilities Pursuant to Changes to be Effective January 1, 1984) which, among other things, deferred hearings and filing dates and by Order entered November 11, 1983, in Case No. 8838 established comment and hearing deadlines for consideration of charges and settlement of intrastate interlata and intralata toll.

The Motion further states that the Attorney General did not include testimony in this case with the understanding that access charges would not be an issue, that in view of the above prior Orders, his position on access charges and related questions should be a part of the record in this proceeding, and accordingly he moves for leave to file the supplemental testimony and schedule of Dr. John Wilson (attached to the Motion).

The Commission, having considered the Motion and being advised, HEREBY ORDERS that the Motion be and it hereby is sustained.

Done at Frankfort, Kentucky, this 23rd day of November, 1983.
